

International Symposium
Circulation of Ideas and the History of Geographical
Knowledge: hierarchies, interactions and networks
16 to 20 December 2014
Rio de Janeiro, Brazil

Second Circular

The *Rede Brasilis* (Brazilian Network on the History of Geography and Historical Geography) and the Graduate Program in Geography at the Federal University of Rio de Janeiro (UFRJ), in collaboration with the International Geographical Union (IGU) Commission on the History of Geography, would like to reiterate their invitation to the scientific community to participate in the International Symposium "Circulation of Ideas and the History of Geographical Knowledge: hierarchies, scales, networks and interactions", to be held in the University Palace of *Praia Vermelha* (UFRJ) in the city of Rio de Janeiro, Brazil.

The abstract submission deadline has been extended to July 31, 2014.

Abstracts should be sent by email to <simposio.hg@gmail.com>, following the guidelines described in the first call. We would like to request for those who have not submitted their proposals to do so using the attached form. Please write in email subject: **abstract_SURNAME_NAME**

Procedures and values remain the same as described in the first call.

Please, remember the following important dates:

Item	Data
Abstract submission deadline	July 31 th , 2014
Abstracts acceptance notification	After September 8 th , 2014
Symposium	December 16 – 20, 2014

Program: The final program of the event will be announced after the notification of accepted abstracts and once the paper sessions and the keynote speakers have been confirmed.

Further information on the complementary activities of the day December 20, 2014:

The visits to the National Library and the Research Institute at the Botanical Garden of Rio de Janeiro are confirmed (9:00 to 12:00). These activities will be followed by a brunch (12:30) and a tour at the Tijuca National Park (14-18h), where the fieldwork will be done. The topic will be *Tijuca Forest and Historical Evolution of the City of Rio de Janeiro*. The cost of the full program, including brunch and transport, is U.S. \$ 90 (R \$ 200). Payment must be made during the registration.

Additional Information on Scientific Committee: Prof. Jorge Cañizares Esguerra (University of Texas-Austin) has joined the Scientific Committee of the Symposium.

Contact: the contact with the Organizing Committee should be done by email: <simposio.hg@gmail.com>
